Allowed Claims: 1-9, 11, 13-18, 31-35.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103. Specifically, with respect to independent claim 1, none of the prior art either alone or in combination disclose or teach of the claimed lithography system having a final lens element with a surface adapted to be pressed against a sample in order to form a depression at the surface of the sample, and specifically including, as the distinguishing feature in combination with the other limitations, the claimed final lens element comprising a removable slab of material. Specifically, with respect to independent claim 11, none of the prior art either alone or in combination disclose or teach of the claimed lithography system having a projection lens with one side adapted to be pressed against a sample in order to form a depression at the surface of the sample, and specifically including, as the distinguishing feature in combination with the other limitations, the claimed other side of the projection lens placed in contact or close proximity with the mask comprising a removable slab of material. Specifically, with respect to independent claim 18, none of the prior art either alone or in combination disclose or teach of the claimed lithography system having a projection lens including a lens element having a surface adapted to be pressed against a sample in order to form a depression at the surface of the sample, and
